[Default Arrangement] by Matt Meza, Sara Kardas, Gabe Finochio, James Plevritis

Chorus

Be enthroned on the praises of our lips
For Your glory and my good
I will worship You God
Only You bring freedom and new life
I will only trust in You
I will worship You God

Verse 1

O the wondrous love of God
Poured upon this faithless child
Now I live to see, Your grace in me
Praises to the Holy One
Exalted King over all
We will run to You, our strong refuge

Verse 2

It was You who walked alone
Broken, beaten, mocked and scorned
You endured the pain, You rose again
Now it's You who set me free
Lord I live in victory
Giving highest praise, to You always

Instrumental 2

Your name endures
My hope secured
Your love prevails
Your love prevails
