The second form is a 'PERMISSION SLIP' with fields for Date, Name, Address, and Phone. It also includes a signature line and a section for Emergency Contact Person and Emergency Phone Numbers.

DAY CAMP PACKING LIST?

A PACKED LUNCH (DAILY)

-  backpack
-  bible/notebook
-  Flashlight
-  clothing for outdoor activities
-  bathing suit
-  water bottle
-  Bug spray

-COVID19 DETAILS & PRECAUTIONS-

In light of COVID19 we will be taking the following precautions in alignment with state guidelines in order to maintain a safe environment for all students coming

Masks-

- All camp leaders will be required to wear masks within 6 feet of another person
- We will ask all students to wear masks within 6 feet of another person
- We **will not** require students to wear masks while engaged in outdoor activities (as they will be in the open air and we do not want anything to hinder breathing as students physically exert themselves in the heat)

Social distancing-

- The camp pavilion will be set-up like the Sunday service with grouping of chairs around the outdoor pavilion.
- Students will be encouraged to gather outside in the open air when they are fellowshiping before and after services
- We will encourage (to the best of our ability) everyone to maintain the recommended 6 feet of distance between one another when fellowshiping

Transportation-

- For **UTICA** we **will not be busing** our students this year to the camp instead students can either carpool or be driven by parents
- Drop-off will take place daily at 10am at the camp pavilion
- Pick-up will take place daily at 8pm at the camp pavilion
- For **ALBANY** we will be utilizing the 3 church vans to transport students back and forth from the day camp on the 21st, and 22nd.
- Drop-off at the Albany campus will be at 8:30am daily at the Albany campus
- Pick-up will be at 9:30pm Daily at the Albany campus

Eating-

- Please make sure your students has eaten breakfast before arriving
- All students will be asked to **pack their own lunches** for each day
- **We will provide pizza** for the night's before service (there will be a gluten free option too)
- We will provide various prepackaged snacks thought the camp
- We will provide water bottles for students but recommend they bring a refillable bottle with them as-well

Services-

- Worship will have students spread throughout the entirety of an outdoor pavilion
- Sermons will be as usual with students again spread out sitting throughout outdoor pavilion in socially distanced groups
- Prayer will take place at the appropriate social distance
- There will be no attendance limits as our sanctuary at the 33% occupancy exceeds 100+ people which is larger than the group we will bring

Small groups-

- Small groups will attempt to meet outdoors in distanced groups around the camp property depending on weather. If we are inside we will utilize the outdoor pavilion and be spread out

Note*- our restriction could be loosened in alignment with government recommendation updates
